

# Safety Data Sheet (SDS)

CLEAN Hybrid Soft Polish

Hitz Sports Collectibles LLC

## SECTION 1 - Identification

Product Name: CLEAN Hybrid Soft Polish

Recommended Use: Surface polishing and gloss enhancement

Manufacturer: Hitz Sports Collectibles LLC

Address: 1111 10th St. Unit 511, Alamogordo, NM 88310

Emergency Contact: 575-495-2557

Restrictions on Use: Use as directed on surfaces only.

## SECTION 2 - Hazard Identification

GHS Classification:

- Not classified as hazardous under normal consumer use
- Contains <3% petroleum distillate

Signal Word: None required

Hazard Statements:

- May cause mild eye or skin irritation with direct contact

Precautionary Statements:

- Use under normal household ventilation
- Avoid direct contact with eyes
- Keep container closed when not in use
- Store away from excessive heat

## SECTION 3 - Composition / Information on Ingredients

This product is a proprietary mixture. Exact percentages are withheld as trade secret.

| Component                            | Concentration | Classification |
|--------------------------------------|---------------|----------------|
| Petroleum distillate                 | <3%           | Solvent        |
| Non-hazardous proprietary components | Proprietary   | Not classified |

## SECTION 4 - First Aid Measures

Eye Contact: Rinse gently with clean water if product gets into eyes. Seek medical attention only if irritation persists.

Skin Contact: Wash with soap and water if needed. Discontinue use if irritation develops.

Inhalation: Move to fresh air if discomfort occurs.

Ingestion: Rinse mouth with water. Seek medical attention if any discomfort occurs.

## **SECTION 5 - Fire Fighting Measures**

Flash Point: >60C

Suitable Extinguishing Media: Foam, CO2, dry chemical

Specific Hazards: None expected in finished form

Protective Equipment: Standard firefighting gear

## **SECTION 6 - Accidental Release Measures**

- Wipe up with absorbent material
- Clean with soap and water
- Avoid slipping hazard
- Dispose of waste according to local regulations

## **SECTION 7 - Handling and Storage**

- Store at room temperature
- Keep container tightly closed
- Avoid excessive heat
- Use in well-ventilated areas
- Do not ingest

## **SECTION 8 - Exposure Controls / Personal Protection**

Engineering Controls: Normal room ventilation

Eye Protection: Not required under normal use

Skin Protection: Gloves optional

Respiratory Protection: Not required

## **SECTION 9 - Physical and Chemical Properties**

Appearance: Soft, off-white paste

Odor: Mild

Melting Point: 45-55C

Solubility: Insoluble in water

VOC Content: <3%

## **SECTION 10 - Stability and Reactivity**

- Stable under normal conditions
- No hazardous reactions expected
- Avoid temperatures above 80C
- Avoid strong oxidizing agents

## **SECTION 11 - Toxicological Information**

- Low acute toxicity
- May cause mild irritation
- No known chronic health effects

## **SECTION 12 - Ecological Information**

- Not expected to be harmful to the environment
- Petroleum distillate content is minimal

## **SECTION 13 - Disposal Considerations**

- Dispose of contents and container in accordance with local regulations
- Do not pour into drains or waterways

## **SECTION 14 - Transport Information**

DOT Classification: Not regulated

UN Number: Not applicable

Hazard Class: Not applicable

Packing Group: Not applicable

## **SECTION 15 - Regulatory Information**

- Contains <3% petroleum distillate
- All other components are proprietary and non-hazardous
- Complies with OSHA Hazard Communication Standard (29 CFR 1910.1200)

## **SECTION 16 - Other Information**

This SDS is provided for safe handling guidance.
